

**IN THE DRAWINGS**

On sheet 1 of the drawings, please amend figure 1 to add the label “logic” for reference character 32 and “memory” for reference character 34. Also, please amend sheet 1 of the drawings to remove figure 3 therefrom, and please add new sheet 2 of the drawings providing replacement figure 3. Replacement figure 3 adds the label “storage media” for reference character 300, “sector byte” for each of reference characters 301-304, “media structure” for reference character 305, “sector” for each of reference characters 310, 311 and 325, and “recordable capacity” for reference character 330. A replacement sheet 1 and new sheet 2 of the drawings is attached herewith in Appendix A.
